SHE'S SNOW ANGEL

// SILVIA SAINT IS COLD CHILLIN' IN A SUB-ZERO, SNATCH-STRETCHIN' FINGER FRENZY!

Chilly? Warm your cock up in my hot pussy!//

When you're as hot as Silvia Saint is, you don't worry about Jack Frost nipping at your nose. In fact, the only one out in the teeth-chattering cold with any anxiety seems to be the snowman she built. "I'm trying to make him come alive," she giggles, as she spreads her tight, fur-lined cooze in the powdery snow. "I think I saw his carrot nose extend by a couple inches when I rubbed my breasts against him," she says. Are you actually telling us you have some kind of a snowman fetish, Silvia? That you're hot for this flake? "Fuck yeah!" she says, her eyebrows betraying her deviant rationale as she begins to roll a second one. "Snowmen are complete sex machines!" she says. "They have to be—just look how big their balls are!"

tart of the month

Take me slow and hard! Drive yourself into me!//

"People accuse me of being bitchy," says strikingly exotic Tart Of The Month, Linn Thomas. "But it's actually just shyness. I'd rather read a book than encounter a lot of new people. I've probably missed out on some great opportunities...it's just how I am. But I wasn't about to miss out on posing for CHERI Magazine! Sexuality is the *one* area I feel completely confident in. I like being naked and being around other naked people. I don't feel like I have to say anything or to explain myself when I'm nude," she says. That's because there's nothing to say except, "*DAMN!*", Linn!

PRETTY PUSSY

// FELINE FUCK-SLUT LOVES BEING CHASED BY CUM-SHOOTING COCKSMEN!

I wanna feel your jizz slither into my hot hole!//

Like the rich, printed furs that she so adores, Silver sees herself as a jungle cat—a hunted tigress of nearly mythical power, revered for her treasured pelt and feline cunning. "Do you want me?" she purrs, lifting her sheer slip over her sumptuous hips as we follow her every move with stalking eyes and watery mouths. She struts around the room in her thigh-high leather boots, her curves turning miracles that only our nutsacks can understand. We want to pounce on her, to put our arms around her, lie on top of her, and put our filthy fuck parts inside her devious hole. We want to kiss the back of her neck, inhale the sweet scent of her heavenly hair while we brush it back from her forehead and ram ourselves deeper into her. We want to look down and watch ourselves enter her, again and again, fucking her hot, wet pussy, fucking her good and hard. "You have to *catch* me first," she whispers.

BLOWJOB FOR TWO?

// THE WAITRESSES AT CHERI'S NEWEST CAFE GIVE *GREAT* SERVICE!

Fuck my throat!//

In the mood for a glass of fine red wine, an after-dinner coffee, or just a warm piece of ass? *Jizz & Java*, CHERI's latest cafe, is a breath of fresh air in an otherwise stuffy genre. Bright and lively, presentation at *Jizz & Java* is at a whimsical premium, with such dishes as fresh poon with warm cooze torte and twat sauce slaw. For dessert, the sinful fare is highlighted by hot CHERI pie: a tasty pussy dish with opulent swirls of girl-goo. For a lighter touch, try the exuberant titties-n-cream, a profusion of firm-nipple flavor atop buttery-fresh boob-fruit. The perfect balance of flavor and depravity, *Jizz & Java* is a lip-smacking thrill that will keep you cumming again and again! Reservations recommended!

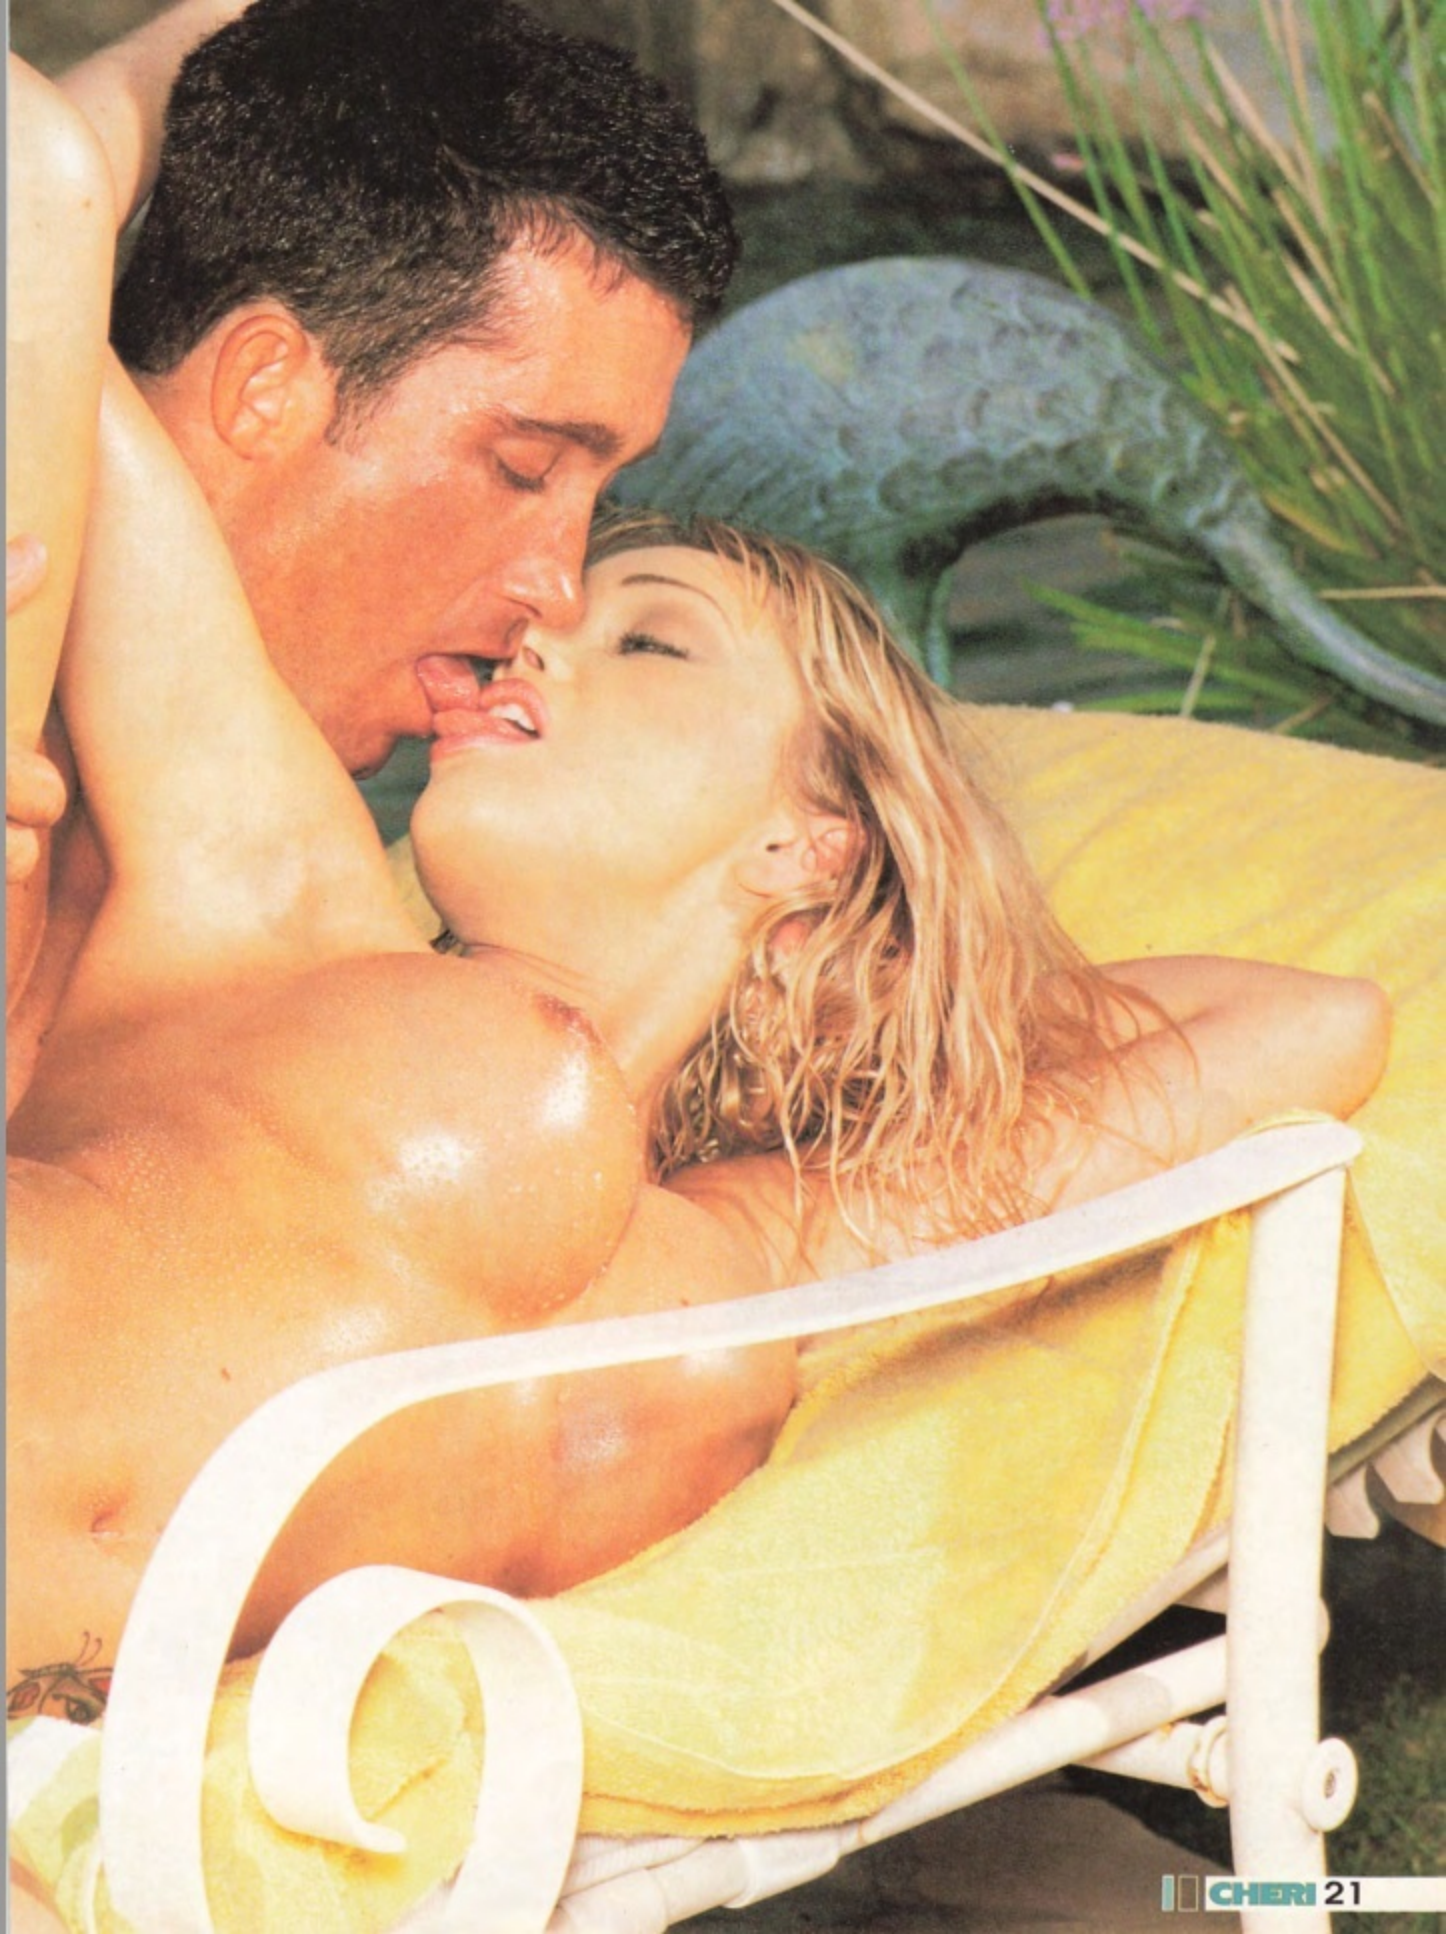
DEEP END ON ME

// POOL-BOY BILLY STUFFS DEVON'S DEEP, WET PUSSY WITH QUIVERING COCK MEAT!



Go ahead! Cram your tongue up my asshole!//

Billy lubes up his swollen pud with a filthy handful of spit, then crams the hard, slippery member deep inside Devon's yearning hole. He fucks her furiously, his balls banging and slapping against her cherry haunches as he buries his shaft deeper and deeper between her legs. Devon purrs as their pubic pelts mat each other into a mushy, wet mess. She writhes back and forth, unable to control the ecstasy inside her. She bucks forward as she orgasms, her pussy squeezing and milking Billy's dick for everything it's worth. His nutsack tingles and tightens. He pulls out of her sloppy fun-hole and covers her face with a generous barrage of thick, wet prick-plaster. She licks the fresh stem sap into her mouth and smiles. "Thank you," she says. One final squirt comes to the tip of Billy's stump. He squeezes it out and watches it as it drips down and glazes Devon's already well-splooged chin. "You're welcome," he smiles.

TWO IN THE BUSH

// LESBO THIEF GETS PLANS FOILED AND JUICY FUCK-HOLE PROBED!

Get those legs in the air and keep 'em there!//

It was last call at The Ladies Room, the Midwest's premier dyke bar, when masked gunwoman Kayla burst through the front door. "Alright, cunt-lappers!" Kayla screams. "Toss those dildo-laden handbags on the floor, and get those fishy-smelling fingers in the air. This is a stick up!" Wistfully, Cheyenne diffuses the situation. "Hey! Jerkoff! No guns or dicks allowed! Now get rid of that thing or get the fuck out!" Kayla pockets the pistol, sits down, and orders a shot. "Sorry," she says, downing the whiskey. "I'm broke and horny and I just couldn't help myself." Cheyenne nods, and pulls a tube of sex-lube from beneath the bar. "You should have just said so," she replies, squeezing a dollop of lubricant on her two fingers. "Now strip down and bend over. I'll give you a refill on the house."
